Join us for this exciting opportunity to try the Paralympic sport of Wheelchair Curling! This team sport of skill and strategy involves sliding granite stones across the ice while aiming for the target. The clinic includes instruction from talented athletes and instructors from USA Curling, all equipment and time on the ice to try the sport. This Clinic is for adults ages 16 and up who have a physical disability or visual impairment and are interested in trying Wheelchair Curling. Veterans with a disability are also encouraged to attend. Nutmeg Curling Club is wheelchair accessible from the parking lot to the ice!

Veterans are encouraged to attend!
